Kenny Martin, Superintendent Robroy Ranger, Conference Pastors and Delegates to the 2024 Annual Conference

2023 was another good year of Ministry at Aldersgate. God continues to bring groups of various backgrounds, age, ethnicity, and geographic locations onto our grounds. Guests appreciate the hard work and care that goes into making Aldersgate a special place to be able to hear God's voice and to spend time with friends and family.

In the fall we were able to begin re-construction on Spruce Cabin. We obtained our final permit in April and our guests have already been enjoying the facility. The nurses that come with our summer youth camps will love having their cabin back after having to "make do" last summer. The other big project this year is replacing columns at the main auditorium building that have been rotting. Windows on the East and West sides will be replaced with siding and additional acoustical panels are being installed inside. We also continued with our electrical upgrades this year, including an update to our RV park area to continue to accommodate our SOWER volunteers that are so vital to our ministry.

Summer of 2024 calendar is full! We are excited about a busy summer season and all the lives that will be impacted on these grounds during the summer months!

Serving Him,
Eric Mueller, Camp Director
